**Re: Joint Request for Extension of Time**  
*Herbalist & Alchemist, Inc. v. Alurent Products, Inc., et al.*  
**16-CV-9204 (ER)**

Dear Judge Ramos:

Plaintiff Herbalist & Alchemist, Inc. (“Plaintiff”) and non-party Let’s Encrypt (“Let’s Encrypt”) jointly submit this request to extend the briefing schedule for Let’s Encrypt’s motion for fees and costs, currently set to be filed on September 29, 2017. Plaintiff and Let’s Encrypt are continuing to engage in fruitful settlement negotiations, and therefore ask that the Court grant a further extension of three weeks to allow briefing of the above-referenced motion. Plaintiff and Let’s Encrypt do not anticipate needing any further extensions.

Pursuant to Your Honor’s Individual Rules and Practices, a Proposed Stipulated Order has been sent to the Judgment’s Clerk.

We thank Your Honor for your time and attention to this matter.

Respectfully submitted,

PHILLIPS NIZER LLP
